

My little monster has got ...

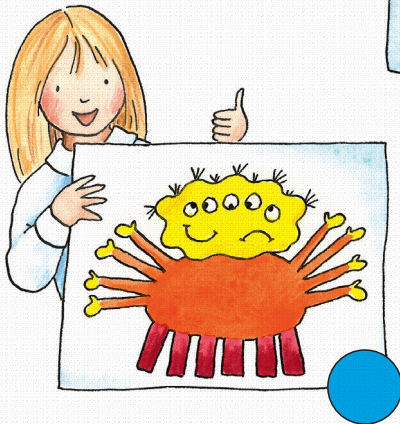

eight arms, ►
six legs,
five eyes and
two mouths.

eight arms, ►
six legs,
eight eyes and
two ears.

two arms, ►
two legs,
two eyes and
one mouth.

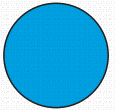

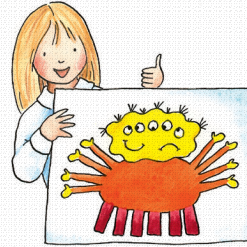

two arms, ►
two legs,
one eye and
three mouths.

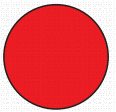

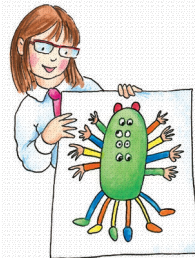

four arms, ►
two legs,
three eyes and
four noses.

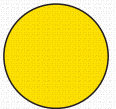

My little monster has got **eight arms, six legs, five eyes and two mouths.**

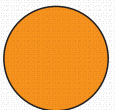

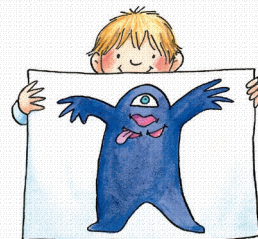

My little monster has got **eight arms, six legs, eight eyes and two ears.**

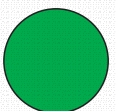

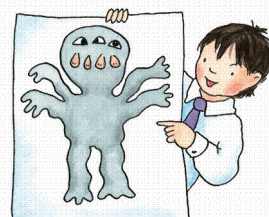

My little monster has got **two arms, two legs, two eyes and one mouth.**

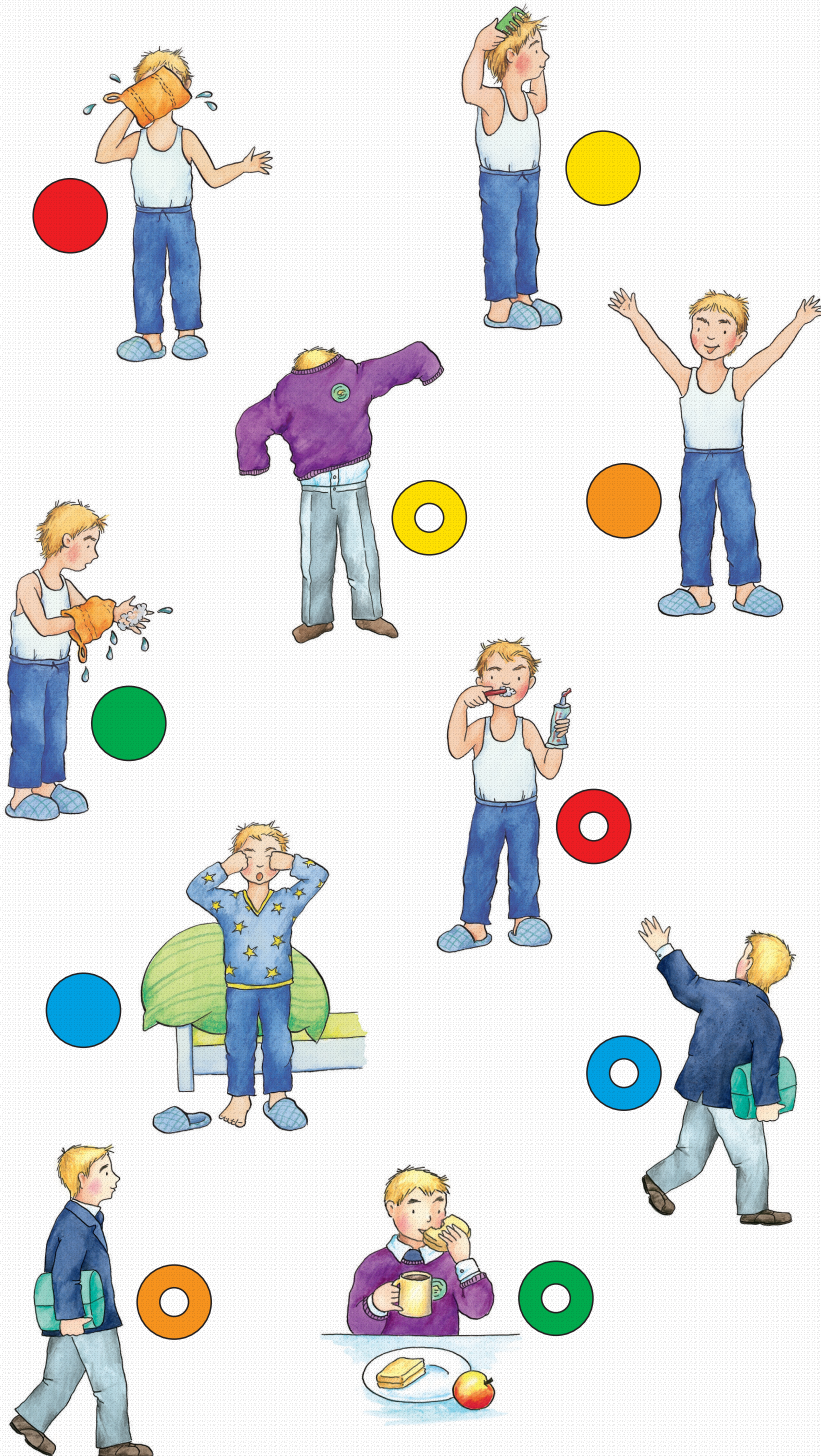

My little monster has got **two arms, two legs, one eye and three mouths.**

My little monster has got **four arms, two legs, three eyes and four noses.**

I get up.

I stretch my arms.

I wash my hands.

I wash my face.

I brush my teeth.

I comb my hair.

I get dressed.

I eat my toast.

I wave goodbye.

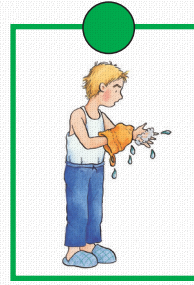

I walk to school.

I get up.

I stretch my arms.

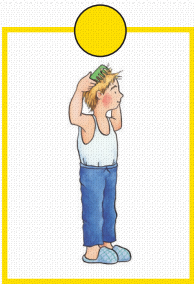

I wash my hands.

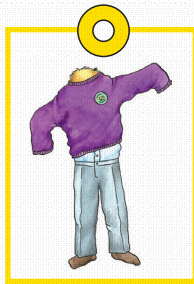

I wash my face.

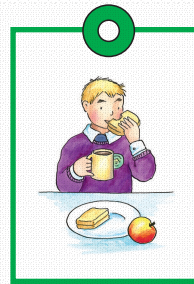

I brush my teeth.

I comb my hair.

I get dressed.

I eat my toast.

I wave goodbye.

I walk to school.
